— Erev Shel Shoshanim 英訳 — "Evening of Roses"

The evening is filled with roses;
We'll go out to the grove,
And the fragrance of frankincense
Will be a threshold at your feet.

{ Night comes slowly,
A rose-filled breeze wafts its scent;
Let me breathe a song to you slowly.
A song of love

The dawn whispers its beginning,
my dove,
Your hair is filled with dew,
Your mouth at dawn is like a rose
That I shall take for mine.
