HOREHRONSKY CZARDAS

To ta Hel'pa, to ta Hel'pa , To je pekne mesto.
Av te Hel'pe, av te Hel'pe, Svarnich' chlapkov je sto.

// Koho je sto, toho je sto, Nie po mojej voli
Len za jednim, len za jednim, Srdiečko ma boli. //

Za Janičkom, za Paličkom, Krok bych nespravila
Za Duričkom, za Mišičkom, Dunaj preskočila.

// Dunaj, Dunaj, Dunaj, Dunaj, Aj to širo pole
Len za jednim, len za jednim, Potešenie moje! //

You town Helpa, you town Helpa, You're a pretty city.
In you, Helpa, in you, Helpa, There are handsome boys!

// There are many, there are many, But not to my liking.
After just one, after just one, I've got an aching head. //

After Johnny, after Paulie, I'd take no more footsteps.
After Derrick, after Misha, I'd jump over Donau! (the Danube)

// Mother Donau, Mother Donau, And the widest fi-elds.
After just one, after just one , My joy, my sweetheart ! //
